Dear Mr. Porter:

Thank you for your letter of March 26th. At the present time I am in New York for the U. N. but I expect to return to California in June and it is my intention to stop a few days in San Francisco.

You might inquire at the Chilean Consulate in San Francisco about when I shall arrive and where I shall stay some time around the 18th or 20th of June, and I shall be very happy to see you at that time and talk over your interesting projects.

Yours very truly,
