Dear Nena Ossa:

I am enclosing copies of three poems by Gabriela Mistral which would be very suitable for use in Christmas cards -- "Pinos de Navidad", "Estrella de Navidad", and "Noel Indio".

This letter is to give you the necessary authorization to use these poems on your Christmas cards for December, 1965, without monetary compensation. I reserve the right, however, to ask for reasonable monetary compensation on behalf of the children of Montegrande if in 1966 or in later years the sale of your Christmas cards should indicate that some payment should be made.

I have always thought that poems by Gabriela would be most appropriate for Christmas cards, and I am glad that they will be put to use by such a fine artist as yourself.

With my very best wishes,

Doris Dana
